DEI COMMITTEE UPDATE

The Executive Committee has appointed a committee to champion diversity, equity, and inclusion within our fraternity. As a committee, we have been working diligently to review our policies and practices and identify areas to address so that our Brotherhood continues to evolve and grow.

To date, we have engaged in many robust conversations about where we have been and progress we would like to see made as an organization in the near future. Working within this space is not an easy task; it has required each of us to think deeply and learn from one another so that we can evaluate a systemic review of our fraternity and suggest sustainable and scalable activities to enrich us all.

While our review is not yet complete, we have been working on the following:

- Constitution and Bylaws,
- Candidate Education Manual,
- DEI Statement, and
- Proposed constitutional amendments.

We hope that our combined efforts and recommendations will be beneficial to the continued growth of Phi Delta Chi as an organization that values diversity, equity, and inclusion. As Leaders in Pharmacy, we are creating a meaningful space of representation, inclusion, and belonging.

Some of you may have helpful perspectives that may not have been considered. Please join us in this journey to complete inclusion throughout the organization. If you have questions or suggestions, feel free to contact us at DEI@phideltachi.org.

AAAE,
The DEI Committee of Phi Delta Chi

Unanimously approved by committee members present 12/8/2022 for publication.

A MESSAGE FROM GRANT STIMES, GVPAA

Phi Delta Chi Brothers are beginning to build back their Chapters and Brotherhood as the fall 2022 semester is a return to normal for most of, if not all, of our Chapters. Furthermore, our Brothers were able to meet in person for the first time since 2019 in Arlington, Texas for the 18th Leader-Development Seminar. **The Executive Council is looking forward to seeing even more of our Brothers at the 74th Grand Council in Houston, Texas from August 1st through August 5th.**

Phi Delta Chi is still anticipating a significant reduction in new Collegiate Brothers from previous years. This source of revenue has been a large portion of the finances of the organization, and supports programming, chapter resources, leadership development and educational opportunities for our Brothers. The Executive Council has been working to remain open and transparent while reevaluating the budget in order to maintain financial sustainability for the Fraternity while still planning for returning to our normal activities in the foreseeable future.

As Phi Delta Chi works to finish the planning for the 74th Grand Council, we are reaffirming our commitment to providing programming to all of our Brothers. Phi Delta Chi will be offering continuing education again at this upcoming Grand Council. As Phi Delta Chi looks to increase the programming offered to our Brothers, we are reliant on our alumni Brothers for their support.

Our Alumni are the foundation of our Brotherhood and we look to you now to continue to support and help move the Organization forward. Please consider the following opportunities for ways you can help:

1. Pay your National Alumni Dues.

Instructions to pay online can be found on [this page](#).

Request a dues statement in the mail by replying to this message. Please provide your current mailing address.

2. Donate to one of our funds to further help both our Collegiate and Alumni Brothers. Visit [this page](#) for more details.

3. Email the GVPAA, assistant GVPAA or Regional Directors for Alumni Affairs with any ideas the Executive Council could use to increase alumni engagement.

We appreciate all of the work you are doing in the communities you serve and look forward to seeing how all of our Brothers come together to shape this era of the Phi Delta Chi Professional Pharmacy Fraternity.

Grand Vice President for Alumni Affairs, Psi #1299

SCHLEGEL LEADERSHIP DEVELOPMENT AWARD: Call for Nominees

**Pharmacy
Leadership &
Education
Institute**

Thanks to the generosity of Alpha Psi alumnus Jack Schlegel and his wife, Priscilla, the Pharmacy Leadership & Education Institute (PLEI) will present the second Schlegel Leadership Development Award at the 74th Grand Council in Houston, Texas, in August 2023.

PLEI is the nonprofit foundation that Phi Delta Chi formed in 1996.

The John F. ("Jack") Schlegel Leadership Development Award will award a \$1,000 honorarium annually to a collegiate Brother of $\Phi\Delta\chi$ concluding his or her final professional year of study in spring 2023. The honoree must demonstrate the potential for exceptional leadership in the profession through exemplary behaviors and actions as a student and professional in training that gain the respect of peers.

Each collegiate Chapter of $\Phi\Delta\chi$ may submit one nomination. The deadline for receiving nominations is May 25, 2023.

To be considered, each Nomination Packet should contain: (a) a Personal Data Form, (b) a personal statement not to exceed 500 words in which the nominee expresses a vision of what he or she aspires to accomplish within 10 years after graduation, and (c) three letters of recommendation that address the nominee's potential for exceptional leadership in the profession after graduation. One of the letters must come from the Chapter Advisor.

The PLEI Board of Directors will determine the honoree. In establishing the award, Jack noted that many student pharmacists are so focused on working their way through their educational program that they do not have time to take on formal leadership positions with organizations, but instead demonstrate their potential by exhibiting leadership in other than elected positions. He distinctly wishes all forms of leadership to be considered in this award. The pathway for submitting nomination packets starts at <https://plei.org/schlegel/>.

The first recipient of the Schlegel Leadership Development Award was Courtney Purcell, PharmD, alumnus of the Omega Chapter at University of Tennessee Health Science Center.
